Notes:

1. All devices have a one year manufacturer's warranty or will be repaired/replaced by Cellular South, except for Dell NetBooks. Dell handles all warranty claims directly.
2. Phone included at conversion, new number, or ported number being added to a State account or State entity account. Car charger and ear-bud provided at no charge with new activations and initial phone upgrades. There is a 20% discount on all additional accessories.
3. For an existing subscriber, this replacement price covers device placement for non-warranty and non-qualified upgrades. In the event that a free telephone is lost or stolen, the phone shall be replaced at no cost one time only. Data devices, including smart phones, are excluded. Any subsequent losses will be replaced at a cost not to exceed \$100.00. If the phone that is lost or stolen is a model that the agency purchased, it shall be replaced at the replacement price. Data devices, including smart phones, are excluded, unless user is taking advantage of the upgrade policy for data devices.
4. PTT (push to talk) requires PTT feature.
5. Smart Phones require a data plan or feature.
6. Upgrade is available to State Agencies only. During the term of the contract, after a State Employee has used a Blackberry device for twenty-four months, that device is eligible for a one-time upgrade to the then featured Blackberry device at a cost of \$69.99.
7. Dell Net Book must be purchased with a Net Book Plan. Initial price for the device is \$179.99.
